The time limit for one throw is set at 60 seconds. The time starts when the Mölkky has been returned, i. e. either handed over to a team member or left at the Mölkkaari. Once per set, a team may use a time-out for an additional 60 seconds.
All sets of the tournament except 5th decisive sets in the quarter-final matches, the semi-final matches, final match and the match for 3rd place in the play-off are played for a maximum of 12 throws (each team). If no team finishes the set within 12 throws, the team with the higher number of points wins the set. In case of a tie, each team throws one extra throw. The player whose turn it is throws. Whichever team rolls the higher value (it does not matter if it exceeds 50) will score one extra point and win the set.
Alcoholic beverages and smoking are prohibited on the fields!
- Game system:** Due to the expansion of the tournament's capacity, the tournament format has been adjusted as follows:

Initial group stage

In the first stage of the CSMO 2026 – mixed doubles tournament, the pairs will be divided into six groups of seven. In the preliminary group stage, every pair will play against every other pair in the group; matches will consist of two sets. Group rankings are determined by: **a)** number of sets won, **b)** score difference, **c)** head-to-head result, **d)** total points scored, **e)** Mölkk-out.

The top five pairs from each group will advance directly to the "Play-off" (**Fig. 1**).

Pairs finishing in sixth place will compete against each other in a "Mölkk-out" contest, organized into two three-way matchups—A6-C6-E6 and B6-D6-F6—following the sequence A-BB-CC-AA-BB-CC-A. The winners of these two Mölkk-out contests will join the "Play-off 32" bracket. The losers of the Mölkk-out contests will play in the "B-tournament" (**Fig. 2**).

Similarly, pairs finishing in seventh place will also compete in a Mölkk-out contest across two three-way matchups—A7-C7-E7 and B7-D7-F7—using the same sequence as above. The top two pairs from these contests will join the field for the "B-tournament". The two pairs finishing third in this contest will play a single match against each other to determine 41st and 42nd place (also shown in **Fig. 2**).

The "Play-off" stage and the "B-tournament"

Matches in both the "Play-off" and the "B-tournament" will be played according to the schedules in **Figures 1 and 2**, with the winner determined by the best of three sets. Quarter-final, semi-final, and final matches—as well as the match for third place—will be played as the best of five sets, with no limit on the number of throws in the deciding fifth set (played to 50 points). Knockout matches are played to determine all final rankings. In the event of a deciding set, the pair with the better score from the first two (of four) sets starts first.

Rules: The tournament is governed by the official rules issued by the international organization I.M.O. (dated February 2024). Given the conditions and format of this event, the organizer reserves the right to adapt and supplement the tournament rules with the following specific provisions:

- Throughout the tournament, the rule applies that a single person cannot play for more than one team/pair.
- The time limit for a throw is set at 60 seconds. The time starts counting from the moment the throwing pin is returned—that is, either handed to a teammate or placed by the Mölkkääri. Once per set, a pair may call a time-out for an additional 60 seconds. All participants are urged not to prolong their throws and to help ensure the tournament runs smoothly.
- The courts will have a limited playing area.
- If the throwing skittle (Mölkkky) hits any element outside the playing area (e.g., the net, a metal post, etc.) and subsequently knocks down one or more skittles, those skittles do not count as knocked down.

- The tournament will be played using official Mölkky game sets from Tactic®; the use of other equipment (e.g., personal throwing skittles) is not permitted. Throwing skittles will be numbered according to the court on which they must be used.
- The tournament operates on a schedule that must be monitored and adhered to. Any pair that fails to report for their match **within 5 minutes** of the tournament organizer's call will forfeit the match (with a score of 0 : 2 or 0 : 3).
- The organizer reserves the right, if necessary, to appropriately shorten the tournament or specific matches, or to decide to start them earlier than scheduled in the tournament timetable. The organizer reserves the right to change the playing field for a specific match.
- Smoking, consuming alcoholic beverages, and eating (with the exception of light snacks) are strictly prohibited within the playground areas. The consumption of hot meals, as well as purchased alcoholic and non-alcoholic beverages, is permitted exclusively in the area near the snack bar or on the enclosed terrace.
- The progress of the tournament will be displayed on a monitor, TV, or by other means at the organizer's station.
- To protect the clay surface, entry onto the court is permitted only in clean sports footwear with smooth or finely profiled soles that do not damage the surface. Entry in football boots, studded shoes, or footwear with deep treads (lug soles) is prohibited.
- All players participate in the tournament at their own risk. The organizer accepts no liability for any injury, loss, or damage to participants' property throughout the event. Furthermore, the organizer wishes to inform players that it does not hold liability insurance covering damages caused to players. A basic first aid kit for treating minor injuries will be available at the tournament venue.

Protest: Can be raised within 5 minutes of the end of the game for a fee of 5 €. The fee is payable at the time of submitting the protest to the tournament organizing committee and is in the case of a negative decision non-refundable. The Organizing Committee of the CSMO 2025 tournament will decide on the outcome of the protest within 20 minutes and its decision is final and cannot be appealed.

Catering: There is a restaurant in the area with tennis courts: www.tenispatronka.sk. A buffet with draft drinks will be open. A lunchtime menu will be available on the terrace next to the buffet. Interest in this type of meal must be reported in advance when filling out the registration form; price: 15 EUR/person; it will be paid in cash upon presentation with subsequent issuance of a lunch ticket.
